8. SPECIAL CONSULTATION

For any fire protection concerns in which the Community Development Director, Fire Chief or Fire Marshal determine that additional technical resources or technical assistance is required from sources outside of the Village staff, the Village’s cost of additional consultant services are paid for at the billed rate as charged to the Village by the consultant. Examples where such fees may apply include, but are not limited to:

- a) Plan review of smoke control systems;
- b) Life Safety plan review for covered malls or other similar type structures; and/or
- c) Plan review of projects where performance based design is used to comply with codes.

I. ENGINEERING PLAN REVIEW AND INSPECTION OF PUBLIC IMPROVEMENTS SHALL BE SUBJECT TO THE FOLLOWING FEES

1. FIRST ENGINEERING REVIEW AND COMMENTS ON ENGINEERING PLAN

One percent of engineer's estimated cost of all public improvements as defined in Title 15, Chapter 15, Section 154.703 of this Code plus \$500.00.

2. SUBSEQUENT ENGINEERING PLAN RE-REVIEWS

The greater of:

\$90.00 per hour of re-review time, or

The actual cost billed to the Village by a third party for the plan re-review, as provided for by Chapter 16 of this Code.

3. INSPECTION OF PROJECT IMPROVEMENTS

Three percent (3%) of engineer's estimated cost of all public improvements, as defined in Title XV, Chapter 154, Section 154.703 of this Code.

In addition to the fee referred to above, inspections conducted before 7:30 a.m. or after 4:00 p.m. on weekdays, and/or at any time on weekends and holidays, when available, shall be billed at a rate which shall be greater of:

- (a) \$100.00 per hour of inspection time; or

(b) The actual cost billed to the Village, by a third party, for inspection, as provided for by this Chapter 16 of Code which shall apply even if the permittee, or the permittee's authorized agent or contractor, fails to show up for a scheduled inspection. Any inspections conducted before 6:00 a.m. or after 5:00 p.m. on weekdays, and at any time on weekends and holidays, when available, shall be subject to a two (2) hour minimum inspection fee, which shall apply even if the permittee, or the permittee's authorized agent or contractor, fails to show up for a scheduled inspection, charged to the permittee, including no-shows. Said inspection fee shall be in addition to the normal three percent fee referenced in the first sentence of this subsection.

4. ENGINEERING REVIEW AND INSPECTION FEES – NEW SINGLE FAMILY RESIDENCE

\$125.00 per lot for each vacant lot that is part of a major plat of subdivision and \$360.00 per lot for an infill or teardown lot.

5. CONSTRUCTION PERMITS

No construction permits shall be issued by the Village until all engineering plan review fees have been paid.

6. CERTIFICATE OF OCCUPANCY

No occupancy certificates shall be issued by the Village until all outstanding engineering fees have been paid.

J. PLANNING SERVICES FEES

All major plats of subdivision and major developments, as defined in Title 15, Chapter 15, Section 154.703, shall be subject to the following planning review fees:

1. IMPROVEMENT COSTS

A fee of 0.25% of total improvements costs (includes all public and private improvements, exclusive of interior buildout/improvement costs) for the first \$4,000,000.00 and 0.13% for total development costs above \$4,000,000.00.

2. CONSTRUCTION PERMITS

No construction permits shall be issued by the Village until all planning review fees have been paid.

3. CERTIFICATE OF OCCUPANCY

No occupancy certificates shall be issued by the Village until all outstanding planning review fees have been paid.

K. OTHER FEES

1. PLAN REVIEW FEE APPLICATION DEPOSIT

(a) Plan review fees shall be paid if the plan review has been completed by the Village and/or its agents. This fee shall apply even if the permit applicant withdraws the permit application, or does not pick up the permit.

(b) Plan Review Fee Application Deposit. All major developments, as defined by Section 154.306 of this Code, shall be subject to a \$10,000.00 deposit to covers of the initial building permit review and/or engineering plan review at the time of application, with the applicant being required to pay for additional building permit review and/or engineering plan costs incurred by the Village above and beyond said \$10,000.00 deposit, through the review process. In the event that the costs incurred by the Village, relative to the building permit review and/or engineering plan review, exceed \$10,000.00 the Village reserves the right to require the right to require the applicant to provide an additional deposit to cover the anticipated additional costs to complete the review. All such amounts that are deposited with the Village, that are unexpended as part of the building permit review and/or engineering plan review process, shall be applied as a credit towards the final permit fees at the time of permit issuance.

2. TRAFFIC IMPACT ADVISORY SERVICES

In addition to all other fees established by this Section 150.141, all applications for building permits, and all applications for as Plan Commission, Zoning Board of Appeals or Village Board review, that have a substantial traffic impact as determined by the Inter-Departmental Review Committee shall be accompanied by a deposit of \$1,000.00 to be used for traffic impact analysis services. If the Village's cost for such services exceeds the deposit, the applicant shall reimburse the additional costs incurred by the Village. Any such reimbursement shall be made prior to the final consideration of the development proposal by the Village Board or prior to the issuance of a building permit, whichever occurs first. If such traffic impact analysis services costs are less than the deposit, the Village shall return the difference to the applicant. The total cost incurred by the applicant for such services shall not exceed \$10,000.00.

3. OVERTIME INSPECTION FEES

Inspections conducted before 7:30 a.m. or after 4:00 p.m. on weekdays, and anytime on weekends and holidays, when available, shall be billed at a rate of \$100.00 per hour per inspector, including no-shows, when available. Said inspection fee shall be in addition to any requisite fees referenced elsewhere within Section 150.141 or as set forth within Chapter 16 of this Code, whichever is greater, and shall be paid prior to issuance of any certificates of occupancy or approval of final inspections. In addition, any inspections conducted before 6:00 a.m. or after 5:00 p.m. on weekdays, and at any time on weekends and holidays, when available, shall be charged with a minimum of two hours charged to the permittee, including no-shows.

4. RE-INSPECTION FEES

In the event that a building permit related inspection by the Village or its agent results in a failed inspection, either as a result of the construction activity not meeting code provisions, or the construction otherwise not being in compliance with the improved plans, the following additional fees shall be assessed:

(a) First failed inspection – no additional fee.

(b) Second or subsequent failed inspections – \$65.00 for a single-family residential project and \$80.00 for all other projects.

In the event that the permittee and/or the permittee's contractor does not have the project site ready for an inspection at the time and on the date the inspection was scheduled to occur, the additional fee set forth in subsection (b) above shall be assessed.

L. DETERMINATION OF CONSTRUCTION COST

For purposes of this Chapter, the estimated cost of construction shall be based upon the value of the respective improvement and not the cost a given permittee incurs in the construction of the improvement. The permit applicant shall provide the Village with the estimated cost of construction as part of the permit submittal process. If the Village does not concur that the submitted estimated cost of construction properly reflects the estimated project cost, the Village shall determine the estimated project cost, based upon the latest edition of the R. W. Means Manual.

M. GOVERNMENT ENTITIES

Requirements relative to; bonds and letters of credit shall be waived per ordinance 14.02.
