Content Description

Survey key is as follows:

- 2014D = Downtown Quadrant;
- 2014 = Primarily residential surrounding the downtown;
- 2015 = outlying;
- 2016 = outlying.

The houses and/or buildings included in the surveys are considered historic. However until the property owner applies for and is granted a “landmark site” for the property through the Village of Lombard’s Code of Ordinances, Section 32.079, these provisions/protection do not apply unless marked with an asterisk.

Houses/structures marked with a wooden shield only from the Lombard Historical Society have honorary historic status and are not a landmark site.

All building alterations other than maintenance require a building permit. Landmark sites require a building permit and certificate of appropriateness.

For more information to become a landmark site, please contact the Community Development Department at 630/620-5749.
