

ComEd Energy Efficiency Program

More Ways to Save

HOME ENERGY SAVINGS

Schedule a FREE home energy assessment and receive personalized savings recommendations plus FREE and discounted energy-saving products. Plus, if your home and household income meet qualifying guidelines, you may be eligible for free weatherization, including air sealing and insulation, and extra energy saving products.

REBATES

Redeem rebates for purchasing qualified high-efficiency equipment and ENERGY STAR® certified appliances and smart thermostats.

DISCOUNTS

Take advantage of instant in-store discounts on select energy-efficient lighting and home products at a retailer near you. Look for the ComEd Lower Price sticker to save!

FOOD BANK DISTRIBUTION

ComEd supplies ENERGY STAR® LED light bulbs to local food pantries for distribution to income-eligible shoppers. Ask for your free LEDs!

ENERGY SAVINGS KITS

Contact your local community agency and those that qualify may receive a FREE energy savings kit that includes a variety of ENERGY STAR LEDs, an advanced power strip, faucet aerators and more.

ComEd MARKETPLACE

Find information, solutions and discounted energy-saving products to help you manage and reduce your energy use.

SMART PROGRAMS

Explore smart technology programs that may offer additional savings throughout the year. Peak Time Savings, Hourly Pricing and If This Then That (IFTTT) are all options!

GREEN INCENTIVES

Have you considered making the switch to solar energy or electric vehicles? Both are great ways to go green and save some green. ComEd can help you figure out which options are right for you and how to get started.
